Applied Chemistry- 1, 2/e

And thanks.

Paris Letters

These wedges are the 12 houses of astrology, which divide life into areas of focus like home, career and relationships.

Common Law, History, and Democracy in America, 1790-1900: Legal Thought before Modernism

When a state will not work with you, you might go so far as to declare war on them, a declaration that is legal both nationally and internationally, and your efforts at justice might take months or years to play out, because far from salting the ruins of Carthage, you encourage democratic reforms that coincidentally encourage societies based on the rule of law wherein you may find your justice.

Paris Letters
