Aligned horizontal cuts at the bottom of a set of vertical lines at different stereoscopic depths are seen as occluded at the cuts where a subjective contour appears, but ONLY in the presence of planar stereoscopic elements below the cuts and nearer. Think of love: how it often begins with Only Love Remains superficial attraction Only Love Remains to move along the challenging and exciting road of learning to know one another and looking beneath the surface. Often dependent on the approval of white patrons for money to survive while she wrote books, never lucky enough to write a book that sold enough to provide her financial security, nearly always desperate to get material published just to stay economically afloat, Hurston was often forced to censor what she said when she was trying to publish in white periodicals and publishing

houses.
