Letter to New Zealand

Summary of the article: the Court of Appeal of Brescia, reversing an earlier judgment of the Tribunal of Crema, labour section, stated that if professional activity formally classified as occasional self-employment has to be re-classified as an employment relationship, then the tax return form and the payment of the related withholding tax by the company are not sufficient to avoid the penalties for unlawful working practices. Shut Off Your Smartphone While smartphone activities can give you a big dopamine hit, they are distracting, they diminish brainpower, contribute to stress, accidents and fatalities, and smartphone surveillance impedes candor.
